WHEREAS, Consultant has submitted to Authority a Proposal dated November 19, 2019, which is attached hereto as Exhibit B.

NOW, THEREFORE, in consideration of the mutual covenants, benefits, and premises herein stated, the parties hereto agree as follows:

1. TERM

The term of this Agreement shall be from the date of execution to completion of the work identified in the Scope of Services and in conformance with Exhibit -B, unless this Agreement is terminated or suspended pursuant to this Agreement.

2. SCOPE OF SERVICES

Authority does hereby retain Consultant, as an independent contractor, in a contractual capacity to provide civil engineering services, as set forth in Exhibit B. In the event there is a conflict between the provisions of Exhibit B and this Agreement, the language contained in this Agreement shall take precedence.

Consultant shall perform the tasks described and set forth in Exhibit B. Consultant shall complete the tasks according to the schedule of performance which is also set forth in Exhibit B.

Compensation for the services to be performed by Consultant shall be in accordance with Exhibit B. Compensation shall not exceed the rates or total contract value fifty thousand nine hundred sixty-six dollars (\$50,966) as stated in Exhibit B, without a written Amendment to the Agreement executed by both parties. Payment by Authority to Consultant shall be in accordance with the provisions of this Agreement.

3. PERFORMANCE

Consultant shall at all times faithfully, competently and to the best of their ability, experience, standard of care, and talent, perform all tasks described herein. Consultant shall employ, at a minimum, generally accepted standards and practices utilized by persons engaged in providing similar services as are required of Consultant hereunder in meeting its obligations under this Agreement.

4. MANAGEMENT

The individual directly responsible for Consultant's overall performance of the Agreement provisions herein above set forth and to serve as principal liaison between Authority and Consultant shall be Jessica Sandifer, and no other individual may be substituted without the prior written approval of the Executive Director.

The Authority's contact person in charge of administration of this Agreement, and to serve as principal liaison between Consultant and Authority, shall be the Executive Director or the Executive Director's designee.

5. PAYMENT

Taxpayer ID or Social Security numbers must be provided by Consultant on an IRS W-9 form before payments may be made by Authority to Consultant.

The Authority agrees to pay Consultant monthly, in accordance with the payment rates and terms and the schedule of payment as set forth in Exhibit B, based upon actual time spent on the above tasks. This amount shall not exceed fifty thousand nine hundred sixty-six dollars (\$50,966) for the total term of the Agreement unless additional payment is approved as provided in this Agreement.

Consultant shall not be compensated for any services rendered in connection with its performance of this Agreement, which are in addition to those set forth herein, unless such additional services and compensation are authorized, in advance, in a written amendment to this Agreement executed by both parties. The Executive Director, if authorized by Authority Board, may approve additional work not to exceed ten percent (10%) of the amount of the Agreement.

Consultant shall submit invoices monthly for actual services performed. Invoices shall be submitted on or about the first business day of each month, or as soon thereafter as practical, for services provided in the previous month. Payment shall be made within thirty (30) days of receipt of each invoice as to all non-disputed fees. Any expense or reimbursable cost appearing on any invoice shall be accompanied by a receipt or other documentation subject to approval of the Executive Director or the Executive Director's designee. If the Authority disputes any of Consultant's fees or expenses, Authority shall give written notice to Consultant within thirty (30) days of receipt of any disputed fees set forth on the invoice.

6. TERMINATION OR SUSPENSION WITHOUT CAUSE

The Authority may at any time, for any reason, with or without cause, suspend, or terminate this Agreement, or any portion hereof, by serving upon the Consultant at least ten (10) days prior written notice. Upon receipt of said notice, the Consultant shall immediately cease all work under this Agreement, unless the notice provides otherwise. If the Authority suspends or terminates a portion of this Agreement, such suspension or termination shall not make void or invalidate the remainder of this Agreement.

The Consultant may terminate this Agreement only by providing Authority with written notice no less than thirty (30) days in advance of such termination.

In the event this Agreement is terminated or suspended pursuant to this Section, the Authority shall pay to Consultant the actual value of the work performed up to the time of termination or suspension, provided that the work performed is of value to the Authority. Upon termination or suspension of the Agreement pursuant to this Section, the Consultant will submit an invoice to the Authority pursuant to this Agreement.

7. DEFAULT OF CONSULTANT

The Consultant's failure to comply with the provisions of this Agreement shall constitute a default. In the event that Consultant is in default for cause under the terms of this Agreement, Authority shall have no obligation or duty to continue compensating Consultant for any work performed after the date of default and can terminate or suspend this Agreement immediately by written notice to the Consultant. If such failure by the Consultant to make progress in the performance of work hereunder arises out of causes beyond the Consultant's control, and without fault or negligence of the Consultant, it shall not be considered a default.

If the Executive Director or his/her designee determines that the Consultant is in default in the performance of any of the terms or conditions of this Agreement, he/she shall cause to be served upon the Consultant a written notice of the default. The Consultant shall have seven (7) days after service upon it of said notice in which to cure the default by rendering a satisfactory performance. In the event that the Consultant fails to cure its default within such period of time, the Authority shall have the right, notwithstanding any other provision of this Agreement, to terminate this Agreement without further notice and without prejudice to any other remedy to which it may be entitled at law, in equity or under this Agreement.

8. LIQUIDATED DAMAGES

If the Consultant fails to complete the work, or any portion thereof, within the time period required by this Agreement, or as duly extended in writing by the Executive Director, Consultant shall forfeit and pay to the Authority, as liquidated damages, the sum of twenty-five dollars (\$25) per day for each calendar day the work, or portion thereof, remains uncompleted after the above specified completion date. Liquidated damages shall be deducted from any payments due or to become due to the Consultant under the terms of this Agreement. Progress payments made by the Authority after the

above specified completion date shall not constitute a waiver of liquidated damages by the Authority.

9. OWNERSHIP OF DOCUMENTS

Consultant shall maintain complete and accurate records with respect to sales, costs, expenses, receipts, and other such information required by Authority that relate to the performance of services under this Agreement. Consultant shall maintain adequate records of services provided in sufficient detail to permit an evaluation of services. All such records shall be maintained in accordance with generally accepted accounting principles and shall be clearly identified and readily accessible. Consultant shall provide free access to the representatives of Authority or the Authority's designees at reasonable times to such books and records; shall give the Authority the right to examine and audit said books and records; shall permit Authority to make transcripts therefrom as necessary; and shall allow inspection of all work, data, documents, proceedings, and activities related to this Agreement. Notification of audit shall be provided at least thirty (30) days before any such audit is conducted. Such records, together with supporting documents, shall be maintained for a period of three (3) years after receipt of final payment.

Upon completion of, or in the event of termination or suspension without cause of this Agreement, all original documents, designs, drawings, maps, models, computer files, surveys, notes, and other documents prepared in the course of providing the services to be performed pursuant to this Agreement shall become the sole property of the Authority and may be used, reused, or otherwise disposed of by the Authority without the permission of the Consultant. With respect to computer files, Consultant shall make available to the Authority, at the Consultant's office and upon reasonable written request by the Authority, the necessary computer software and hardware for purposes of accessing, compiling, transferring, and printing computer files.

10. INDEMNIFICATION AND HOLD HARMLESS

Indemnification and Defense for Design Professional, as defined in California Civil Code Section 2782.8: To the fullest extent permitted by law, Consultant shall indemnify, defend and hold harmless Authority and any and all of its officials, employees and agents ("Indemnified Parties") from and against any and all claims, losses, liabilities, damages, costs and expenses, including attorney's fees and costs, to the extent they arise out of, pertain to, or relate to the negligence, recklessness, or willful misconduct of the Consultant. Consultant's duty to defend shall consist of reimbursement of defense costs incurred by Authority in direct proportion to the Consultant's proportionate percentage of fault. Consultant's percentage of fault shall be determined, as applicable, by a court of law, jury or arbitrator. In the event any loss, liability or damage is incurred by way of settlement or resolution without a court, jury or arbitrator having made a determination of the Consultant's percentage of fault, the parties agree to mediation with a third party neutral to determine the Consultant's proportionate percentage of fault for purposes of determining the amount of indemnity and defense cost reimbursement owed to the Authority.

For all other liabilities: Notwithstanding the foregoing and without diminishing any rights of Authority in the preceding paragraph in Section 10, for any liability, claim, demand, allegation against Authority arising out of, related to, or pertaining to any act or omission of Consultant, but which is not a design professional service, Consultant shall defend, indemnify, and hold harmless Authority, its officials, employees, and agents (“Indemnified Parties”) from and against any and all damages, costs, expenses (including reasonable attorney fees and expert witness fees), judgments, settlements, and/or arbitration awards, whether for personal or bodily injury, property damage, or economic injury, and arising out of, related to, any concurrent or contributory negligence on the part of the Authority, except for the sole or active negligence of, or willful misconduct of the Authority.

Consultant agrees to obtain executed indemnity agreements with provisions identical to those set forth here in this Section from each and every subcontractor, or any other person or entity involved by, for, with, or on behalf of Consultant in the performance of this Agreement. In the event Consultant fails to obtain such indemnity obligations from others as required here, Consultant agrees to be fully responsible according to the terms of this Section. Failure of Authority to monitor compliance with these requirements imposes no additional obligations on Authority and will in no way act as a waiver of any rights hereunder. This obligation to indemnify and defend Authority as set forth here is binding on the successors, assigns, or heirs of Consultant and shall survive the termination of this Agreement or this Section.

Authority does not and shall not waive any rights that it may have against Consultant by reason of this Section, because of the acceptance by Authority, or the deposit with Authority, of any insurance policy or certificate required pursuant to this Agreement. The hold harmless and indemnification provisions shall apply regardless of whether or not said insurance policies are determined to be applicable to any losses, liabilities, damages, costs, and expenses described in this Section.

INSURANCE REQUIREMENTS

Without limiting Consultant's indemnification of Authority, and prior to the beginning of and throughout the duration of Work, Consultant will maintain insurance in conformance with the requirements set forth below. Consultant will use existing coverage to comply with these requirements. If that existing coverage does not meet requirements set forth here, Consultant agrees to amend, supplement, or endorse the existing coverage to do so. Consultant acknowledges that the insurance coverage and policy limits set forth in this section constitute the minimum amount of coverage required. Any insurance proceeds available to the Authority in excess of the limits and coverage required in this Agreement and which is applicable to a given loss, will be available to the Authority.

Consultant shall provide the following types and amounts of insurance:

Commercial General Liability Insurance using Insurance Services Office (ISO) "Commercial General Liability" policy form CG 00 01 or the exact equivalent. Defense costs must be paid in addition to limits. There shall be no cross liability exclusion for claims or suits by one insured against another. Limits are subject to review but in no event less than \$1,000,000 per occurrence for all covered losses and no less than \$2,000,000 general aggregate.

Business Auto Coverage on ISO Business Auto Coverage form CA 00 01 including symbol 1 (Any Auto) or the exact equivalent. Limits are subject to review, but in no event to be less than \$1,000,000 per accident. If Consultant owns no vehicles, this requirement may be satisfied by a non-owned auto endorsement to the general liability policy described above. If Consultant or Consultant's employees will use personal autos in any way on this project, Consultant shall provide evidence of personal auto liability for each such person.

Workers' Compensation on a state-approved policy form providing statutory benefits as required by law with employer's liability limits no less than \$1,000,000 per accident or disease.

Professional Liability or Errors and Omissions Insurance as appropriate shall be written on a policy form coverage specifically designed to protect against acts, errors or omissions of the Consultant and "Covered Professional Services" as designated in the policy must specifically include work performed under this Agreement. The policy limit shall be no less than \$1,000,000 per claim and in the aggregate. The policy must "pay on behalf of" the insured and must include a provision establishing the insurer's duty to defend. The policy retroactive date shall be on or before the effective date of this Agreement.

Excess or Umbrella Liability Insurance (Over Primary) if used to meet limit requirements, shall provide coverage at least as broad as specified for the underlying coverages. Coverage shall be provided on a "pay on behalf" basis, with defense costs

payable in addition to policy limits. Policy shall contain a provision obligating insurer at the time insured's liability is determined, not requiring actual payment by the insured first. There shall be no cross liability exclusion precluding coverage for claims or suits by one insured against another. Coverage shall be applicable to the Authority for injury to employees of Consultant, subconsultants, or others involved in the Work. The scope of coverage provided is subject to approval by the Authority following receipt of proof of insurance as required herein. Limits are subject to review.

Insurance procured pursuant to these requirements shall be written by insurers that are admitted carriers in the State of California and with an A.M. Bests rating of A- or better and a minimum financial size of VII.

General conditions pertaining to provision of insurance coverage by Consultant. Consultant and the Authority agree to the following with respect to insurance provided by Consultant:

1. Consultant agrees to have its insurer endorse the third party general liability coverage required herein to include as additional insureds the Authority, its officials, employees, and agents, using standard ISO endorsement CG 2010 and CG 2037 with edition acceptable to the Authority. Consultant also agrees to require all contractors and subcontractors to do likewise.
2. No liability insurance coverage provided to comply with this Agreement shall prohibit Consultant, or Consultant's employees, or agents, from waiving the right to subrogation prior to a loss. Consultant agrees to waive subrogation rights against the Authority regardless of the applicability of any insurance proceeds, and to require all contractors and subcontractors to do likewise.
3. All insurance coverage and limits provided by Consultant and available or applicable to this Agreement are intended to apply to the full extent of the policies. Nothing contained in this Agreement or any other agreement relating to the Authority or its operation limits the application of such insurance coverage.
4. None of the coverages required herein will be in compliance with these requirements if they include limiting endorsement of any kind that has not been first submitted to the Authority and approved in writing.
5. No liability policy shall contain any provision or definition that would serve to eliminate so-called "third party action over" claims, including any exclusion for bodily injury to an employee of the insured or of any contractor or subcontractor.
6. All coverage types and limits required are subject to approval, modification, and additional requirements by the Authority, as the need arises. Consultant shall not make any reductions in scope of coverage (e.g. elimination of contractual liability or reduction of discovery period) that may affect the Authority's protection without the Authority's prior written consent.

7. Proof of compliance with these insurance requirements, consisting of certificates of insurance evidencing all of the coverages required and an additional insured endorsement to Consultant's general liability policy, shall be delivered to Authority at or prior to the execution of this Agreement. In the event such proof of any insurance is not delivered as required, or in the event such insurance is canceled or reduced at any time and no replacement coverage is provided, the Authority has the right, but not the duty, to obtain any insurance it deems necessary to protect its interests under this or any other Agreement and to pay the premium. Any premium so paid by the Authority shall be charged to and promptly paid by Consultant or deducted from sums due Consultant, at the Authority's option.
8. Certificate(s) are to reflect that the insurer will provide thirty (30) days notice to the Authority of any cancellation or reduction of coverage. Consultant agrees to require its insurer to modify such certificates to delete any exculpatory wording stating that failure of the insurer to mail written notice of cancellation or reduction of coverage imposes no obligation, or that any party will "endeavor" (as opposed to being required) to comply with the requirements of the certificate.
9. It is acknowledged by the parties of this Agreement that all insurance coverage required to be provided by Consultant or any subcontractor, is intended to apply first and on a primary, non-contributing basis in relation to any other insurance or self-insurance available to the Authority.
10. Consultant agrees to ensure that subcontractors, and any other party involved with the Work who is brought onto or involved in the Work by Consultant, provide the same minimum insurance required of Consultant. Consultant agrees to monitor and review all such coverage and assumes all responsibility for ensuring that such coverage is provided in conformity with the requirements of this section. Consultant agrees that upon request, all agreements with subcontractors and others engaged in the Work will be submitted to the Authority for review.
11. Consultant agrees not to self-insure or to use any self-insured retentions or deductibles on any portion of the insurance required herein and further agrees that it will not allow any contractor, subcontractor, Architect, Engineer, or other entity or person in any way involved in the performance of Work contemplated by this Agreement to self-insure its obligations to the Authority. If Consultant's existing coverage includes a deductible or self-insured retention, the deductible or self-insured retention must be declared to the Authority. At that time, the Authority shall review options with the Consultant, which may include reduction or elimination of the deductible or self-insured retention, substitution of other coverage, or other solutions.
12. The Authority reserves the right at any time during the term of the Agreement to change the amounts and types of insurance required by giving the Consultant ninety (90) days advance written notice of such change. If such change results in substantial additional cost to the Consultant, the Authority will negotiate additional compensation proportional to the increased benefit to the Authority.

13. For purposes of applying insurance coverage only, this Agreement will be deemed to have been executed immediately upon any party hereto taking any steps that can be deemed to be in furtherance of or towards performance of this Agreement.
14. Consultant acknowledges and agrees that any actual or alleged failure on the part of the Authority to inform Consultant of non-compliance with an insurance requirement in no way imposes any additional obligations to the Authority nor does it waive any rights hereunder in this or any other regard.
15. Consultant will renew the required coverage annually as long as the Authority, or its employees or agents face an exposure from operations of any type pursuant to this Agreement. This obligation applies whether or not the Agreement is canceled or terminated for any reason. Termination of this obligation is not effective until the Authority executes a written statement to that effect.
16. Consultant shall provide proof that policies of insurance required herein expiring during the term of this Agreement have been renewed or replaced with other policies providing at least the same coverage. Proof that such coverage has been ordered shall be submitted prior to expiration. A coverage binder or letter from Consultant's insurance agent to this effect is acceptable. A certificate of insurance and/or additional insured endorsement as required in these specifications applicable to the renewing or new coverage must be provided to the Authority within five days of the expiration of coverage.
17. The provisions of any Workers' Compensation or similar act will not limit the obligations of Consultant under this Agreement. Consultant expressly agrees not to use any statutory immunity defenses under such laws with respect to the Authority, its employees, officials and agents.
18. Requirements of specific coverage features or limits contained in this section are not intended as limitations on coverage, limits, or other requirements nor as a waiver of any coverage normally provided by any given policy. Specific reference to a given coverage feature is for purposes of clarification only as it pertains to a given issue, and is not intended by any party or insured to be limiting or all-inclusive.
19. These insurance requirements are intended to be separate and distinct from any other provision in this Agreement and are intended by the parties here to be interpreted as such.
20. The requirements in this section supersede all other sections and provisions of this Agreement to the extent that any other section or provision conflicts or impairs the provisions of this section.
21. Consultant agrees to be responsible for ensuring that no contract used by any party involved in any way with the Work reserves the right to charge the Authority

or Consultant for the cost of additional insurance coverage required by this Agreement. Any such provisions are to be deleted with reference to the Authority. It is not the intent of the Authority to reimburse any third party for the cost of complying with these requirements. There shall be no recourse against the Authority for payment of premiums or other amounts with respect thereto.

22. Consultant agrees to provide immediate notice to Authority of any claim or loss against Consultant arising out of the work performed under this Agreement. The Authority assumes no obligation or liability by such notice, but has the right (but not the duty) to monitor the handling of any such claim or claims if they are likely to involve the Authority.
