Notes to Revenue Budget

*** Total projected revenues are 0.6 percent below FY 09-10 final budget.

a) Interest rates at historic low; less than 1/2 percent per annum.

b) The 'great recession' has impacted MRCA's special event revenue by about 25% from normal years.

c) Reduction of \$60k as result of camp schools bringing own food to camp. This was MRCA expense prior.

d) Filming revenue down slightly due to continuing out-sourcing of films to locations outside California.

e) Includes \$50 surcharge per incident approved by MRCA board in March of 2010.

f) Prior year budget included \$500k contract with RMC which was not renewed for FY 10-11.

g) Prior year included \$400k for improvements to Temescal Canyon Park .
