Grantee's Authorized Representative:
 Lisa Soghor, Deputy Executive Officer 323-221-9944, ext. 105

Name and Title *Phone*

Person with day-to-day responsibility for project:
 Judi Tamasi, Project Analyst 310-589-3230, ext. 121

Name and Title *Phone*

Brief Scope of Work (60 words maximum):
 Project planning and design work and expenses for San Gabriel Mountains Rim of the Valley Trail Implementation and Angeles National Forest Trail and Habitat Connections.

Funding Source Applied for: Proposition 84 Upper Los Angeles River Watershed

Narrative/Project Description:
 The Rim of the Valley Trail Corridor Zone complements the trail and habitat resources of the Angeles National Forest. Key areas of work remain to secure the best access ways from population areas into the National Forest and the south-facing slope of the San Gabriel Mountains. This work must recognize the limited County and mitigation funding sources available. The proposed San Gabriel Mountains Rim of the Valley Trail implementation and Angeles National Forest trail and habitat connections project is designed to fill this need for the Conservancy's objectives which are shared by many other public and private entities. Many great recreation resources are at stake. Key areas include an east cluster with Altadena and La Canada, a central section with Little and Big Tujunga Canyons, and a west section with Kagel, Lopez, and Pacoima Canyons.

The proposed project area included under this grant application partially encompasses the foothills of the San Gabriel Mountains lining Angeles National Forest. The west section is contiguous to the Mountains Recreation and Conservation Authority's (MRCA) Lopez Canyon Open Space. This project area of more than 20 miles in length contains approximately 19 miles of blueline streams, and approximately 165 undeveloped private parcels, totaling approximately 2,600 acres. These potentially include approximately 14 miles of Rim of the Valley Trail segments. This area is accessible from Lopez Canyon Road, Kagel Canyon Road, Big Tujunga Canyon Road, Ocean View Boulevard and Starlight Crest Drive.

The attached aerial photograph shows the parcel specific boundaries of the proposed project area. The MRCA proposes to conduct planning and design work to acquire easements and fee simple parcels in this defined project area.

Tasks / Milestones:	Budget:	Completion Date
1 Project Planning & Design	\$95,000	December 2016
Staff Time (Legal and Planning) - \$69,000		
Closing Costs - \$5,000		
Appraisal, Title Reports and Appraisal Review - \$21,000
