**Grant Application – Proposition 84 Funds  
Tujunga Wash Greenway Infrastructure Improvements**

Dear Chairperson Parks and Conservancy Members:

I am pleased to present the enclosed application for an infrastructure improvements grant for the Tujunga Wash Greenway. The MRCA requests a grant in the sum of \$100,000 from the Safe Drinking Water, Water Quality and Supply, Flood Control, River and Coastal Protection Bond Act of 2006 (Proposition 84).

The proposed grant would fund rehabilitation of the majority of the irrigation system that utilized circa-2004 technology, thus ensuring that a reliable source of water is available for ongoing maintenance, and prepare the park for ongoing drought conditions. The irrigation design will reflect current site conditions and state-of-the-art water conservation technology, and is necessary to ensure continued visitor use, resource protection, and functionality of the greenway. If you have any questions regarding this, please contact Mario Sandoval, at 323-221-9944, extension 123.

Sincerely,

George Lange  
Chair
