BILL TEXT

INTRODUCED BY Assembly Member Irwin

FEBRUARY 18, 2016

An act to add Section 33204.8 to the Public Resources Code,
relating to the Santa Monica Mountains Conservancy.

LEGISLATIVE COUNSEL'S DIGEST

AB 2189, as introduced, Irwin. Rim of the Valley Trail corridor:
boundary revisions.

Existing law establishes the Santa Monica Mountains Conservancy in the Natural Resources Agency and prescribes the functions and duties of the conservancy with regard to the preservation, protection, and management of specified lands in the Santa Monica Mountains Zone, as defined. For purposes of providing a recreational trail corridor, the zone includes trails and accessways generally following the Rim of the Valley Trail, as specified. Existing law authorizes the conservancy to revise the boundaries of the Rim of the Valley Trail corridor in the vicinity of the City of Santa Clarita if it determines, based on relevant scientific information and land use planning studies and after holding at least one public hearing, that a boundary revision is necessary, and to prepare and file a revised map showing the revised boundaries, as prescribed.

This bill would, pursuant to the same process and conditions, also authorize the conservancy to revise the boundaries of the Rim of the Valley Trail corridor in the vicinity of the City of Moorpark, and to prepare and file a revised map, as prescribed.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.
