

# Memorandum

To : The Conservancy  
The Advisory Committee

Date: April 25, 2016

From :   
Joseph T. Edmiston, FAICP, Hon. ASLA, Executive Director

Subject: **Agenda Item 9: Preview of findings from the Green Solution Project, Phase IV: Using Nature-Based Solutions to Transform Stormwater Runoff into New Water Supplies and Reduce Greenhouse Gases.**

Staff Recommendation: That the Conservancy will receive an oral report on this item.
