Such sharing of annual allocations may occur provided that:

1. The funds will be expended on a specific project or projects that are eligible for Measure A funds.
2. The agency initiating the request demonstrates to RPOSD's satisfaction that all Study Area(s) involved will benefit from the sharing of funds and resulting project(s). To do this, the agency must provide the following:
  - a. GIS data showing the service area of the proposed project(s) based on local, State, or National standards for the project type(s)
  - b. Information about project accessibility for all involved Study Areas
  - c. Evidence of support from communities in all Study Areas involved. This evidence must be the result of meaningful community engagement conducted by all agencies involved in the sharing of funds.
3. RPOSD determines that the proposed sharing of funds will result in timely completion of the park project(s); and
4. The governing body of each public agency has authorized the sharing of funds for a specific project or projects.

If all four provisions above are true, the relinquishment of funds from the donor Study Area(s) to recipient Study Area(s) shall be approved for use on the identified project or projects.

## 1.6. NONPROFIT MAINTENANCE AND SERVICING ALLOCATION POLICY

Measure A allocates 4.5 percent of available maintenance and servicing funds for eligible nonprofit organizations that own, operate, or both, parklands consistent with the Measure. It is recommended that these funds be allocated as follows:

1. Eligible nonprofit organizations that own and/or operate parklands may apply for M&S funds annually, following the established procedures and requirements for M&S funds, including any subsequent updates.
2. A city, the county, or a joint powers agency may assign a portion or all of its unexpended M&S funds to a nonprofit or other public operating agency to maintain a project funded by RPOSD. The duration of this assignment must also be defined.
